

Anatomy II. topics 2019/2020 II. Practice

Week	Practice Date (Friday)	Lecture Number	Lecture Topic	Oral exam material
2 week	05.02.2021	1	Male Reproductive System.	
3 week	12.02.2021	2	Female Reproductive System.	
4 week	19.02.2021	3	Endocrine System.	
5 week	26.02.2021	4	Nervous System in General.	<i>Male Reproductive System Female Reproductive System Endocrine System</i>
6 week	05.03.2021	5	Spinal Cord.	<i>Male Reproductive System Female Reproductive System Endocrine System</i>
7 week	12.03.2021	6	Brainstem. Cerebellum.	
8 week	19.03.2021	7	Diencephalon. Cerebrum.	
9 week	26.03.2021	8	Tracts of CNS. Meninges. Ventricles and Liquor Circulation. Blood Supply of CNS.	
10 week			Holiday	
11 week			Holiday	
12 week	16.04.2021	9	Peripheral Nervous System, Vegetative Nervous System	<i>Spinal Cord Brainstem. Cerebellum Tracts of CNS. Meninges. Ventricles and Liquor Circulation. Blood Supply of CNS.</i>
13 week	23.04.2021	10	Eye,	<i>Spinal Cord Brainstem. Cerebellum Tracts of CNS. Meninges. Ventricles and Liquor Circulation. Blood Supply of CNS.</i>
14 week	30.04.2021	11	Ear	<i>Peripheral Nervous System, Vegetative Nervous System Eye</i>
15 week	07.05.2021	12	Gustation. Olfaction. Skin Anatomy	<i>Peripheral Nervous System, Vegetative Nervous System Eye</i>
