

TEAMS application training material for students 2020.03.20.

Dear Students,

As you may already know, our Faculty is switching to online education from 23 March 2020, for the implementation of which TEAMS application will provide the technical platform. Please familiarize yourself with TEAMS as soon as possible with the help of the tutorial videos uploaded to http://etk.pte.hu/adminisztracio_aloldalok/teams-oktatas-hallgatoknak. (HUN)
<https://support.office.com/en-us/article/microsoft-teams-video-training-4f108e54-240b-4351-8084-b1089f0d21d7> (ENG) Tutorial videos are being updated continuously.

Starting next Monday, we need to provide online education for nearly 1,000 courses. Faculty members are working at full capacity to launch online education for everyone on Monday. We are going to do everything in our power to make the start as smooth as possible, but there may be some initial difficulties. We thank you for your cooperation and patience in advance!

Best regards,

UP Faculty of Health Sciences
