

The University of Pécs cordially invites you to the closing conference of the IDEAL „INNOVATIVE DIGITAL LANGUAGE LEARNING IN THE HEALTH SECTOR” (2021-2-AT01-KA220-VET-000049281) Erasmus+ project, which will be held on March 21, 2024 in Szombathely according to the program below. At the event, you can get familiar with the main goals of the project - the use of innovative digital learning tools to develop language learning and language skills in the field of healthcare - as well as the results of the project:

- the handbook for teachers and students
- the digital platform containing the language learning videos and the glossary to improve the German language skills of those, who wish to study or work in the health sector or work with German speaking patients in Hungary.

Please indicate your intention to participate in the event
by registering via [this link](#) by March 15, 2024 (Friday).
