

University of Pécs
Faculty of Health Sciences

WHY YOU SHOULD CONTINUE YOUR STUDIES AT THE MASTER OF COMPLEX REHABILITATION

You wish to have a well-respected profession where multidisciplinary care meets meaningful impact?

Do you want to work independently?

Are you ready to get there fast?

Study at Hungary's first university, in a safe environment, in the heart of Europe!

THIS PROGRAM IS FOR YOU, IF:

- ☐ You want to have strong theoretical and practical expertise
- ☐ You want to oversee rehabilitation providers, organize services and contribute to supply development in complex care systems
- ☐ You are considering continuing your studies further on the PhD level

COMPLEX REHABILITATION MSc

Become the professional who sees the whole person — body, mind and environment. This programme trains you to coordinate rehabilitation services, measure outcomes and support communities with evidence-based care. Whether in health, education, employment or social sectors, your work will help people rise stronger than before.

Turn compassion into professional excellence.

Entry requirements:

Human Kinesiology BSc,
Physiotherapy BSc, Occupational Therapy BSc, Coaching BSc or equivalent

Duration: 4 semesters

Price: 3300 EUR/semester

- ☐ Significant amount of clinical practice included in the curriculum
- ☐ High-quality professional education with digitalized systems
- ☐ Newly renovated faculty buildings in the city center
- ☐ Most affordable prices worldwide

Quick and easy, fully online application process!
No language certificate needed! Your language skills will be tested via an online interview as part of the application procedure.
