

**ADVANCED PRACTICE REGISTERED NURSE (APRN) MASTER'S -  
GERONTOLOGICAL NURSE PRACTITIONER SPECIALIZATION  
ACADEMIC YEAR 2017/2018**

<b>Course Name</b>	<b>Credit</b>	<b>Semester</b>
Anatomy theory	2	I.
Anatomy practice	2	I.
Physiology theory	3	I.
Physiology practice	2	I.
Pathophysiology	2	I.
Clinical diagnostics and decision-making I. theory	2	I.
Clinical diagnostics and decision-making I. practice	2	I.
Clinical diagnostics and decision-making I. field practice	2	I.
Pharmacology I.	2	I.
Research methodology and biostatistics I. theory	1	I.
Research methodology and biostatistics I. practice	1	I.
Health promotion-Health education I.	2	I.
Positioning and Networking the APN in the Health Care Sector	2	I.
Clinical Practice I.	3	I.
Modern Nursing Interventions theory	2	II.
Modern Nursing Interventions practice	1	II.
Fundamentals of ECG	1	II.
Clinical diagnostics and decision-making III.	1	II.
Pharmacology II. theory	2	II.
Pharmacology II. practice	1	II.
IT Studies	1	II.
Multiculturality	1	II.
Acute Diseases theory	3	II.
Acute Diseases practice	1	II.
Acute Diseases field practice	4	II.
Modern Geriatric Care theory	2	II.
Modern Geriatric Care practice	2	II.
Modern Geriatric Care field practice I.	2	II.
Modern Geriatric Care field practice II.	0	II.
Optional Courses I.	3	II.
Optional Courses II.	2	II.
Health Communication	1	III.
Health promotion-Health education II. theory	1	III.
Health promotion-Health education II. practice	1	III.
Hospice theory	1	III.
Hospice practice	1	III.
Complex Rehabilitation	1	III.
Gerontopsychiatry	2	III.
Chronic Diseases theory	3	III.
Chronic Diseases practice	2	III.
Chronic Diseases field practice	0	III.
Clinical practice II.	10	III.
Thesis	10	III.
